

Dear Caroline,

Here is a photo of my new town, Hvalsöðlur. The arrow shows just about where we live. I miss you and can't wait until you come visit!!! It will be wonderful to show you the area and have some sister time. I hope that you are enjoying your return to school. Just one more year! You can do this my sister. I am very proud of you. College is tough sometimes, but you are rockin' this experience. Have you watched 'To All the Boys I've Loved Before' on Netflix? I just started it and wish we could watch together.

Miss you & love you,  
Brenna
