

Spectacularly Fabulous Miss Scheving

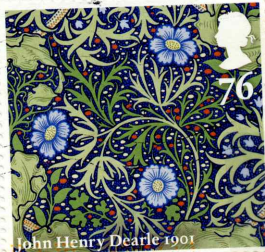

I am now in England. We have  
an incredibly quaint cottage in  
a small town. Very picturesque

I don't know if you've read  
Jane Austen's Persuasion, but two  
of the towns we've taken day  
trips to - Bath and Lyme Regis -  
are mentioned in there.

It's all so very English. (umpets  
every morning, rainy afternoons, etc.  
You'd like Paris better than here.

haphia ☺ ☺ ☺
