

Dear Caroline,
You are very silly, but it is
precious. I have postcards I've saved
up to send to you, but I'm terrible at
writing these while I'm actually
away, so I think this will work well.
I'm glad you and your bro are bonding!
You two are very cute.

I think Blazing Saddles lived up to its
reputation to me. I think I might
watch it again soon. "Pong" or
"Pawn in game of life" absolutely
killed me. Hopefully we can keep going
to midnight movies.

Last night at Jen's one of my co-
workers told me she met Cupcake
Chris, which made me very excited.

You can cure cabin fever by getting out
of the house! If either of us we ever
free at any given time I am down
to get coffee, hike, walk, swim, watch
a movie, ~~go to~~, explore, etc.
