where we had to take in life? Well, I have
done what I said I would * traveled and
tried new foods. I had *creangs* in Paris
today. ~~They~~ They were chewy and tasted
like pepper. *shudder*

We went to a museum full of
nineteenth century art today. This was
my favorite painting. The coolest part of
the museum was that the building used
to be a train station.

ÉDOUARD MANET (1832 - 1883)
