

Caroline-

Full disclosure - there are no mountains in NYC. I got this post card w/a pair of backpacking pants I ordered in white NYC. But it's pretty kühl, right? Anyhow.

NYC is nice, the internship is educational, & I'm having a good time. There is a comic book store not far from my apartment, & I've been buying out a lot of their button material. Currently an "The Dark Victory". Thanks for pointing me in the right direction. Anyhow, I'm vicariously excited for your job @ RISD. You're going to kill it. I hope there's some overlap between me coming home & your leaving, at least so that I can reunite with Blue, my one true love. I've been writing her too, but I haven't got a response yet... Talk to you soon.
