*Today was the Cluny Museum. We  
saw the ruins of a Roman bath and  
sharp, pointy swords. We ~~wasn't~~ also  
saw a sword fight.*

*Then we went to Montmartre  
and climbed the famous stairs. There  
were 216 of them. The top of the  
mountain was crawling with tourists. Have  
I mentioned how much I hate  
tourists?*

*Then we climbed the Eiffel tower.  
It was kind of freaky, but it was  
still impressive. Sophia*
