Dear Caroline,

I assume by the time you get this, it will be after Thanksgiving break, and we will already have had a chance to see each other.

Even so, let me wish you a happy and productive end of the semester. I myself am not looking forward to exams, but I am looking forward to winter break.

Love,
Sophie Margaret

P.S. If you've never seen this movie, it's definitely worth watching.
Not great, but fun!
