Dear Caroline,

Hope you're currently bundled up somewhere warm and ready for a delicious Thanksgiving. I just got your postcard (over a month later, whoops) and it made me very happy! Surprisingly the weather here this week is probably as nice as it was in September, with highs in the 70s. Being able to enjoy fall leaves without having to freeze my ass off is kind of the best. I hope the weather in Atlanta's good and that you're rocking your fantastic fall wardrobe - seriously, you've got some awesome coats and sweaters. Your Halloween costume also looked super cute! It looks like you had a fun Halloween, and I hope you have a lovely holiday season coming up. I can't wait to see you over winter break and catch up in person. Until then, take care and stay wonderful!
