Dear Caroline,
Thank you for your lovely postcard from RISO! Here is a picture of China, too (get it? By the one you sent was porcelain? haha) Sorry my handwriting is more shaky than usual - I'm trying to write while biking at the gym, which was maybe a silly idea, but at least I'm pretending to work out, right? Anywho, I miss you and can't wait

to see you
and give you your
umbrella
when we
get home! Cathy

corners of the Inner City wall, but now only the one at
southeastern corner exists.
