

Dear Caroline,

PHILADELPHIA PA 19106

Thanks for the cowboy postcard!

I finally figured out my combination for my mailbox this week, and getting mail from you was definitely a highlight of the week. The other highlight was finding out that I've gotten one of my friends to start liking country music—she started with Luke Bryan and is advancing to Carrie and Miranda. Soon I'll have someone to go to country concerts with here! Hope you're doing well and jamming out to some nice music in Atlanta!

(P.S. Guess which album inspired this postcard! Stay groovy, Catny
