Dear Caroline - PM 31

I got this card when we  
toured the WWI exhibit. You  
are likely getting this card after  
turning from Zurich. I hope  
you had a great time and  
the travel went smoothly. Am  
hoping to get our Christmas tree  
today after work - maybe get  
the lights on tomorrow and  
all the decorations up over  
the weekend. You'll be home  
soon! Love Mary
