

FT MYERS FL 339

L 84 FLORIDA

Florida is the perfect vacation hot-spot. Well known for its long sandy-white beaches, crystal-clear tropical waters, endless warmth and sunshine, and some of the most beautiful sunrise and sunsets.

Scarlet Tanager

Dear Caroline -

I am thinking of you all
in the ice and cold. It is
sunny and warm here. Hope this
is a good addition to your
postcard wall. Love
mom
