Dear Caroline,
 Congratulations on getting my first
 post card of the year, and, more importantly,
 HAPPY (belated) BIRTHDAY! I hope
 your first month of classes are going
 well. It snowed this weekend and thought
 you might enjoy that. It's supposed to
 snow over a foot this weekend! Hopefully
 you're getting some decent weather in
 Atlanta - stay warm! Can't wait for warmer

weather in Nashville, and I'm
 even more pumped for seeing
 you in the Spring. Until then,
 take care and remember to
 stay wonderful!

Have a awesome 2016
 year of life!
 ♥, Cathy
