Dear Caroline,
I dig this picture - do you?
What is going on, I wonder?
Are the girls waiting to be
asked to dance? Are they
pondering this fellow as a
suitable dance partner?
Has he just made a
scene? Is he holding
something? A bag? A beer?
What is he looking at?
Is he the most desirable
guy? Is he terrible? Do
you think the girls are angry?
Angry at him? I miss you
Thanks again for lunch!!!
Love, George
