

Dear Caroline,

I am writing this in the
Kitchen. Katla Jane is
playing with a different post card -
chewing it, bending it and
smashing it - guess it won't
be ~~sendable~~. Is that a word?
We miss you lots and lots.
Hope school is OK - you
can do this? I can't believe
KT is a year old in May.
Thank you so much for
visiting last summer. Love,
Brenna
