Dear Caroline - I bought
this postcard at the Art
Crawl on Saturday night. I
went with friends Patsy +
Krista. It was fun - most of
the art I did not like, and
the stuff I did like cost \$\$\$.
Your room is being painted
today. Also took the bike
in today for 2 recall repairs.
It's a beautiful day - I am
going to walk over and get
the car on my lunch hour.
Love
Man.
