

GREAT SMOKY MOUNTAINS NATIONAL PARK

#17341 The Great Smoky Mountains are named for the blue haze that often surrounds them. The haze comes from the water vapor and hydrocarbons given off by the trees. To the Cherokee people, this was Shaconage, the place of blue smoke.
Photographer-Adam Jones

Dear Caroline,

I figured that since you mailed the version of this postcard you bought, you might want one for yourself. I've had so much fun on this trip with you, and I'm so glad we did this together. You've been an awesome roommate and a cool person to be around. I love you and I know that you will go on to do incredible things with your life. You're amazing and funny and I always enjoy your presence. Thank you for a good past
